WINE SP40 THE NEW GENERATION OF AIR CONDITIONERS FOR WINE CELLARS

The WineMaster® product range was designed to bring optimal air conditioning solutions to the wine cellar of your dreams.

Thanks to constant temperature and humidity preservation, your wines can blossom all year long in a wine cellar under the best conditions, even in the event of extreme outside temperatures (-30°C to +40°C).

This SP40 is available in 3 versions : only the indoor unit differs : ceiling version (CE), wall version (DU) and version suitable for cabinets or small spaces (CA).

A STORY OF LOVE AND TERROIR...

It is in the foothills of the Alsatian vineyards, where the wine route starts, that the WineMaster® story begins. Our attachment to terroir and our love of wine have always been the source of our thought process and creativity.

Ever since its inception in 1984, the skills and know-how of the men and women of WineMaster® have been at the heart of every step in the air conditioner making process.

Quality and detail are what motivate us, and we are proud of our products and their 100 % Alsatian design.

“ INNOVATION AND EXCELLENCE ARE WINEMASTER'S KEY VALUES. ”
